We should share with Nick Ochsner when we share with CJ since Nick asked for MOUs specifically and asked for them to be send by COB tomorrow

Thanks. Ford, can you forward the final MOUs that were shared to Travis? I believe those were the only records shared as they were the only records he requested and we were able to turn those around quickly.

Noell,

Please provide to me tomorrow the same records on the Atlantic Coast Pipeline that the governor's office has shared with WRAL, including any that were not referenced in the recent WRAL story. My previous request still needs to be filled.

Don
